CHAP. COLXIII. — *An Act authorizing the Establishment of Water-Meters for the Potomac Water, the Laying of an additional Water-Main from the distributing Reservoir of the Washington Aqueduct, and for other Purposes.*

Potomac
water may be
shut off where
waste occurs
and notice is
disregarded;

to be allowed
for mechanical,
&c. purposes
and private foun-
tains, &c. only
when, &c.

a large quantity
to be determined
by meters;
charge for
water.

Iron main from
the distributing
reservoir to Cap-
itol Hill.

Expense how
to be paid.

Washington
and Georgetown
may borrow the
necessary
money, to be
paid out of rev-
enue from water
rents.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to prevent unnecessary waste of Potomac water, and in order to more fully enforce the laws of the corporation of Washington and Georgetown, in relation to the distribution of the same, the engineer officer in charge of the Washington aqueduct is hereby authorized and empowered, after giving notice, to shut off the water when such notice shall be disregarded from any places where a waste of water is occurring.

SEC. 2. *And be it further enacted,* That the use of Potomac water for mechanical and manufacturing purposes, or for private fountains, street and pavement washers, shall be allowed only when, in the opinion of said engineer, it will not be detrimental to the general distribution of water in the two cities.

SEC. 3. *And be it further enacted,* That the supply of water to all manufacturing establishments, hotels, livery-stables, and other places requiring a large quantity, shall be determined by meters erected and maintained at the expense of the consumer; and the said corporations of Washington and Georgetown shall charge and collect for the quantity so determined a price not exceeding three cents per hundred gallons.

SEC. 4. *And be it further enacted,* That said engineer officer shall cause to be furnished and laid from the distributing reservoir of the Washington aqueduct to Capitol Hill, in the city of Washington, along such route as he shall determine, an iron main of thirty-six inches in diameter, connected with the present mains at such points as he shall direct, and that the entire cost thereof shall be borne proportionately by the corporations of Washington and Georgetown, and in order to provide for such cost, the said corporations are hereby empowered and authorized to increase the present water rates and water taxes to such an amount as may by them be deemed necessary.

SEC. 5. *And be it further enacted,* That for the purpose of enabling the corporations aforesaid to carry out the provisions of this act, it shall be competent for them to borrow, in such proportions as they may deem necessary, a sum of money not exceeding two hundred and sixty thousand dollars for the city of Washington, and forty thousand dollars for the city of Georgetown, redeemable within a period of ten years, out of any revenue to be derived from water rents.

APPROVED, July 14, 1870.
